

# WHY ARE WE HAVING THIS MEETING?

Clinton National Airport is presenting **renderings for a new Arrivals Hall** as part of planning for future growth and improvements. Community members, nearby residents, passengers, and local partners are invited to **view the renderings, talk with airport staff, and share their thoughts and ideas**. Feedback collected through the public meeting will help shape decisions and **guide future improvements**.

## Concepts under consideration include:

- A new baggage claim
- Larger, more efficient TSA security checkpoint
- Additional gates
- Additional space for restaurants, retail and other passenger amenities, including an outdoor terrace beyond the security checkpoint
- Improved circulation throughout the terminal to create a more welcoming and efficient passenger experience

The format for this meeting is **open house**, which means there is no formal presentation. You are encouraged to view the renderings, ask questions, and offer comments.

Your comments are very important and could help shape the nature of future improvements. Comments will be accepted until **4:30 pm on Friday, August 14, 2026**.
